

Bali 4.3 Motor Yacht

Launching this year at the International Multihull Show the Bali 4.3 Motor Yacht continues with the style and grace of the Bali Catamaran range.

A true motor yacht with a modern and elegant design, the **Bali 4.3 Motor Yacht** benefits from all the innovations already developed on board the BALI range. It continues in line with the other Bali Catamarans, with a living space which can be opened or closed in a matter of seconds, a panoramic view, a real lounge space with a lounge table and an L-shaped bench-seat. It also has a spacious flybridge, exceptional natural ventilation, and ergonomic “walk around” space throughout.

The marine engineering of Catana’s R&D department has focused on comfort at sea, and with an abundant storage capacity of water and diesel it is designed to take you far.

PACKED WITH INNOVATIONS

Resolutely modern lines, combined with a choice of carefully selected, fine materials, give the Bali 4.3 Motor Yacht a strong, elegant and prestigious appearance in the purest style of a cruising Motor Yacht.

The aft lounge cockpit is surrounded by a wide terrace with a grill installed for outdoor Barbecues.

There is sheltered double access to the flybridge, a fully equipped upper deck, and a helm station worthy of the largest boats, she will take you to the far side of the world in absolute comfort...

With a large living space which opens or closes on demand in a few seconds, the interior of BALI 4.3 Motor Yacht offers soft and clean lines drawn by Lasta Design Studio. The yacht has a very well-equipped L-shaped galley, including of course the signature Bali style Large American refrigerator.

The Saloon-dining area provides seating for 12 guests for those on-board dinner parties. The Pilot station is blessed with panoramic views.

Setting new standards in comfort and livability aboard a catamaran.
