

The Fontaine Pajot MY37

Price:\$820,000.00 AUD ex GST

The Fontaine Pajot Motor Yachts team has meticulously designed a spectacular multihull that will be lauded for its superior comfort, outstanding views and beautiful luminosity.

We now offer this splendidly spacious 3 cabin Fountain Pajot MY37 For Sale in our **Australian Management/Performance Program**. Our Motor Yacht is already receiving a lot of attention on our website from Charterers, with forward bookings and ready for Charter in May with **Queensland Yacht Charters a member of Dream Yacht Charter, in the Whitsundays**.

Interested in a test sail? Or a viewing of our New Fontaine Pajot MY? Let us know and we are happy to arrange it for you.

[DREAM PERFORMANCE \(1\)](#)

The MY37 also possesses the key attributes of the shipyard's retinue, including excellent offshore performance, stability, volume, and impressive range that make the boat extremely economical.

Designed to optimise entertaining and relaxation, The MY37 with its capacious 13.5m² cockpit comfortably accommodates six guests at the dining table while still allowing easy circulation and access through the large sliding saloon doors. The cockpit also has space for an optional extra fridge, BBQ and hydraulic gangway.

The generous 12m² flybridge is a superb retreat for both guests and crew. The helmstation affords panoramic views through its glare-resistant

windshield and an option for a second helmseat so guests can share the cruising experience with the skipper. Other guests can relax and dine on this upper level with a table to seat six, and the vessel can also be customised with an additional fridge and luxurious reclining sunbed. Both the cockpit and flybridge can be fitted with biminis to ensure protection and comfort from the natural elements.

The interior of the MY37 has been designed to the highest standards with exceptional natural light through 360-degree panoramic windows, 2.1m headroom and ambient LED lighting. The saloon is available in two versions including the option for a second wheelhouse or sofa, and has an unprecedented amount of storage space for extended passage making.

The catamaran's galley is eminently practical and features a 150L drawer fridge, double sink, 3-burner hob stove and integrated waste bin. Spacious windows bathe the hulls in natural light and ensure the cabins enjoy idyllic views and excellent ventilation.

The three-cabin Owner's version boast a layout and fixtures befitting a boat of a much larger size, with its generous portside master suite and private bathroom, two spacious guest cabins with large shared bathroom, laundry and remarkable storage capacity. In both versions, the aft cabins boast island beds while the beds in the forward cabins are not compromised in size unlike other catamarans in its class.

The MY37 has been designed for unparalleled performance and fuel economy. The catamaran features two 600L fuel tanks, a 350L water tank. With projected top speeds of 20 knots, the MY37 is the ultimate fuel-efficient and economical power catamaran, and in eco-cruising mode the vessel can cover an impressive 1200nm at 7.5 knots.

Its wide hulls and high bridge deck clearance delivers outstanding stability and exceptional performance in challenging conditions, making the MY37 arguably the leading power catamaran of its size in the world market.
