

# DREAM PERFORMANCE PROGRAM

## 100% LIBERTY

DREAM PERFORMANCE Programme has been especially created for you, full yacht management in co-operation with the World's largest independent yacht charter company.

You choose your yacht, you purchase your yacht through Dream, you choose the location, you choose the specification.

With the Dream Performance Programme, the more your yacht is booked, the more revenues are generated, thus minimizing your cash flow needs. Every quarter, we provide you with the operational cost account for your yacht and pay the corresponding revenue.

### DREAM PERFORMANCE ADVANTAGES:

- Owner takes full title of the yacht.
- You benefit from a marina berth for the duration of your contract.
- You benefit from Dream Yacht's services and your yacht is perfectly maintained.
- You get revenue paid per quarter, according to the charter activity of the yacht.
- Your net revenue is equal to 65% of the gross charter income.
- For every booking, Dream Yacht will deduct 35% for marketing, boat show and broker fees.
- Working charges will be deducted. (charter license, marina berth, insurance, check in / out, spare parts, careening...).
- You have privileged and permanent access to your yacht's charter planning.
- You use your boat 3 weeks in High Season, 3 Weeks in Low Season and 6 weeks in last minute
- The choice of the model of yacht in accordance with Dream Yacht, but with your options package.
